### Letter of Recommendation

Mr. Sagar Kumar Indra Jha, student of Amity School of Engineering, Mumbai was involved in the project title " Title" at OSDGroup, URSC for one months. He has shown tenacious effort and a comprehensive display of AI training techniques towards developing a Document interactive Generative model and .Wheel Failure Detection Model using LSTM.

I am sure that Mr. Sagar Kumar Indra Jha is capable enough to hone his skills further in the domain of AI technologies to realize advanced products or services in this field.

I would like to offer my highest recommendation for him for his future endeavours.
